MERLOT

ORIGIN

The grapes used in this Merlot were sourced from the Curicó valley, one of Chile's valleys with the richest winegrowing tradition. The vineyards are close to the Andes, between 500 and 700 meters above sea level.

VINIFICATION

The grapes for this Merlot were carefully harvested and vinified. Fermentation took place under controlled temperature conditions between 25 and 27°C to preserve the freshness, smoothness and intensity of aromas. Following fermentation, 50% of the blend was aged in third fill or older French and American oak barrels for eight months and the remainder was aged in stainless steel vats to preserve fruity aromas.

TASTING NOTES

This Merlot, captivates for its fruity character, with a hint of vanilla, black cherries, chocolate and mint. It's a very distinctive wine, with balanced structure. It has developed a highly refined character, being aged in oak barrels, without losing the fruity notes.

PAIRING SUGGESTIONS

Ideal with roast beef, chicken and mature cheese
